CONTRACT

I agree to pay all charges and to abide by all terms and conditions associated with utility services as set forth in the City of Norway charter and code of ordinances. I further agree to hold the City harmless for damages resulting from utility service or from termination of service. The City shall not be responsible for damages resulting from acts of nature, termination of service for non-payment, service interruptions, system malfunctions or conditions beyond the control of the City.

I further agree:

- to allow City access to meters and service connections during normal business hours and at any other time by appointment.
- to provide meter placement in such a manner as to allow unobstructed access by City personnel.
- to notify the City Utility Office if billings are not received or if billings are inaccurate.

This agreement does not in any way nulify the provisions found in the City Charter or Code of Ordinances.

I have read this agreement and agree to abide by all terms and conditions contained herein.
